St. Lucia

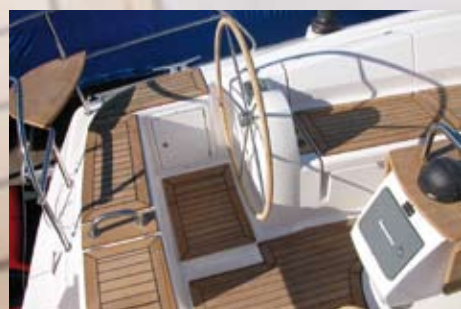

## Impression 434 „St. Lucia“

„St. Lucia“ is a sailing yacht from the range of modern cruisers that is focused mainly on the comfort of its crew and a great sailing experience. During long cruises you will appreciate using the spinnaker. Large inner inboard space with plenty of storage space that will allow you to take everything that is important to you. The boat's equipment was chosen for a pleasant and comfortable stay onboard. The kitchen is completely equipped for cooking your home specialties. There are also glasses for wine or beer, a fridge and a separate freezer that is controllable to average temperatures for cooling of drinks. The „St. Lucia“ has a high quality BOSE sound system that music lovers will appreciate. The CD „St. Lucia Music Mix“ is always onboard. All the accessories are provided for your comfort. The lighting of the cockpit and the saloon are provided by glareless LED lights. There are 220 V power points in every cabin and independent heating will ensure your comfort even in unfavourable weather or out of main season. On sunny days you will appreciate a teak deck with leather accessories and the cockpit covered with a sun roof. The „St. Lucia“ is well equipped so even one experienced skipper can manage its handling. It features ample water, energy and fuel storage. Everything is set up for an easy-going trip any time of the year.

We wish you good wind in sail.
